

Bonnie Barczykowski joined Girl Scouts of the USA (GSUSA) in 2023 as chief executive officer. She is committed to ensuring that every girl has an opportunity to join Girl Scouts, make their voices heard, and develop the skills they need to lead----today and into the future.

Bonnie is honored to lead an organization to which she is so deeply devoted, having previously spent more than ten years as chief executive officer of Girl Scouts of Eastern Missouri. During that time, she built a compelling strategic vision that successfully expanded access for girls across the region, transformed program experiences, engaged communities, and led a $50 million comprehensive fundraising campaign.

Bonnie has been a champion for girls and women throughout her career in both the private and nonprofit sectors, including a decade leading one of the largest chains of fitness centers for women in the world. She received both her BA and MBA from Lindenwood University.
